

PROMT Education

SPECIALIZED SOFTWARE FOR HIGHER EDUCATION INSTITUTIONS

Development trends

NOWADAYS, BASIC AND APPLIED SCIENCES REQUIRE TRANSCENDING THE LIMITS OF A SINGLE COUNTRY AND BECOMING PART OF THE GLOBAL CONTEXT

In our age of information, global communication and high technology, foreign language skills have become one of the most significant components of a modern, successful professional who wants to become a sought-after specialist and reach career heights. Active faculty participation in international scientific and educational activities is one of the most important indicators of innovative development at a modern university.

Tasks of educational institutions teaching foreign languages
